

## **WEEKLY STREET SWEEPING SCHEDULE**

**From June through September 2010**

During the months of June through mid September, ACHD crews will be chipsealing approximately 240 miles of roadways with in Ada County. During this time, brooms will be assigned to these activities to sweep excess chips. As a result, area sweeping will not occur during these summer months. However, our maintenance brooms will continue to respond to emergency sweeping requests as well as any other safety related sweeping requests.

If you have any further questions or would like to place a sweeping request, please feel free to contact our Adams Maintenance Department at 208-387-6325.

Thank You  
**ACHD Maintenance Department**
